Terms and conditions of Coupon Reference # TTB50-10-2009:

Each coupon is identified by a Coupon Code and has different requirements and rewards. Please check your coupon - all requirements stated on the coupon must be met to receive the discount. Coupon value is specified to what is listed on the coupon itself. Limit of one coupon per customer. Coupons are intended for a one time use only. Coupons are redeemable only on the Telecom Canada Web site. A coupon may not be used in conjunction with the purchase of products sold by or under the brands of third parties, including, but not limited to, Telecom Canada affiliates or any third-party merchants (including Web sites linked to the Telecom Canada Web site). In the case of a multiple-item order, the value of the coupon is allocated to all items combined based on the total value of the items, excluding shipping, taxes and other charges. Certain items may not be eligible for discount. This includes new items which, by law, cannot be sold at a discount in certain countries. This coupon cannot be used to pay for taxes, shipping and handling or other charges. This coupon has a minimum purchase requirement of $200 or more. Taxes, shipping and handling and other charges do not apply towards the minimum purchase amount. Promotional coupon offers may not be combined with other offers in the same order. Generally, only one coupon code may be used per order. This coupon is valid for a limited time only and expires on the date specified in the offer. This coupon has no cash value. Coupons are not for resale and are not redeemable for cash. This coupon cannot be replaced if lost, stolen or deleted. This coupon cannot be applied to orders already placed through Telecom Canada. If this coupon is used and your entire order is cancelled or rejected, or if you return all items in your order, you will be refunded the actual amount paid and your coupon will no longer be valid. If a coupon is used and only part of your order is cancelled or rejected, or if you return only some of the items in your order, a partial coupon discount will still be applied to the remaining item(s) that are processed through Telecom Canada. Telecom Canada reserves the right to discontinue a coupon at any time.
